

01 August 2011

Good day Michael

Thank you very much for participating in the Africa Energy Awards in March of this year.

The 2 prestigious categories which you participated in were as follows as well as the relevant criteria:

Africa's Leading Energy Personality

- Someone whose role has advanced, and expanded access to power and energy in Africa
- Promotes the use of innovative approaches
- An individual who has made an outstanding contribution to the advancement of the African power industry

Best Clean Technology Solution Provider

- A project / technology that has been effectively implemented and assists in meeting the basic energy needs in the area
- Successfully overcoming identified barriers
- Innovation in technology that was used within the project / product development

I would like to once again congratulate you and your company, Bettalights, on being one of the top 3 finalists in these 2 out of 10 categories that could be nominated for at the Africa Energy Awards alongside the Power and Electricity World Africa Congress 2011 which was hosted by Terrapinn Limited South Africa.

We wish you all the best in your future endeavours and trust you will participate and be involved with the awards and the conference again next year.

Kind regards
